affected by the proposed transfer, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs (Consumer Advocate). By a statement filed on September 11, 2001, the Consumer Advocate indicated that it will not participate in this proceeding. No persons moved to intervene in this docket.

II.

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Permit No. 645-P is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with HRS § 271-18, and should, therefore, be approved.

III.

THE COMMISSION ORDERS:

1. Transferor's application to transfer Permit No. 645-P to Transferee is approved.

2. Transferor shall surrender Permit 645-P and an amended permit reflecting the authority granted by this decision and order shall be issued to Transferee.

3. Transferee shall comply with all of the commission's requirements for contract carriers by motor vehicle including, but not limited to, filing the appropriate insurance documents, paying a fee of \$20 for motor carrier gross revenues, registering and marking the appropriate motor vehicles, and complying with the

safety requirements of the Motor Vehicle Safety Office, Department of Transportation, State of Hawaii.

4 Transferor shall file an annual financial report for its operations covering the period from January 1, 2002, to the date of this decision and order. Transferor shall also pay the appropriate motor carrier gross revenue fee for the period January 1, 2002, to the date of this decision and order.

5. Transferor and Transferee shall comply with the requirements set forth in this decision and order within 120 days after service of this decision and order. Failure to comply within the time specified constitutes cause for the commission to void this decision and order.

6. Transferee shall not commence operations under this decision and order until it has received written confirmation from the commission that all requirements have been met.
